

JENNICA M. FLORES

Lalayay, San Jose, Batangas | 09349368056 | jennicaflores24@gmail.com | [LinkedIn](#)

ABOUT

Computer Engineering graduate with hands on experience in software, web development, database management, embedded systems, and technical support. Proven ability to contribute to real world projects through website development and maintenance, database operations, system development, and technical troubleshooting. Strong problem solving skills with attention to detail, adaptability, and a focus on reliable technology solutions.

WORK EXPERIENCE

Rakso Computer Technology

June 2025 – August 2025

Computer Engineering Intern

Aguirre Street in Legaspi Village, Makati City, Philippines

- **Web Development:** Assisted in the development, implementation and maintenance of websites based on client requirements.
 - **Database Management:** Organize and Maintained databases using SQL, including data insertion, updating, retrieval and structured querying.
 - **Website Maintenance and Troubleshooting:** Updated website content, resolved page related issues, and implemented revisions to maintain functionality and accuracy.
 - **Event Website Support:** Encoded and updated event related information and website content for timely publication.
 - **Technical and Network Support:** Assisted with basic network related tasks and technical troubleshooting to support daily operations.
-

PROJECTS

Automatic Waste: Disposal System: Integrating Automation For Eco-Brick Production from Plastic Bottles

2026

- **Automation & Embedded Systems:** Designed an automated system using Arduino Mega 2560 and integrated sensors and actuators for PET plastic bottle processing.
- **Waste Processing:** Integrated shredding, heating, compaction, and ejection processes for automated eco-brick production.

- **System Evaluation:** Conducted functional testing to assess the system's efficiency, reliability, and performance.

Nordic Atlantic Website (<https://nordicatlantic.com>)

June 2025 – August 2025

- **Web Design & Development:** Designed and developed a client website from the ground up, establishing its web presence and enabling its discoverability through Google.
-

EDUCATION

University of Batangas

August 2022 – June 2026

Hilltop Road, Brgy. Kumintang Ibaba, Batangas City, Batangas, Philippines
Bachelor of Science in Computer Engineering

CERTIFICATIONS & SKILLS

TECHNICAL & PROFESSIONAL SKILLS

- **Programming:** C++, Java, Python
- **Web Development:** HTML, CSS, JavaScript
- **UI/UX Design:** Figma, Wireframing, Prototyping, Canva
- **Database Management:** MySQL, SQL, CRUD Operations
- **Embedded Systems:** Arduino, System Development & Integration
- **Networking:** TCP/IP, LAN/WAN, IP Addressing, Network Configuration, Basic Network Troubleshooting
- **Hardware:** Circuit Design, Hardware Troubleshooting, PCB Design, Hardware Testing
- **Development Tools:** GitHub, Visual Studio, VS Code
- **Professional:** Problem-Solving, Analytical Thinking, Communication, Teamwork, Time Management

CERTIFICATIONS

CCNA: Switching, Routing, and Wireless Essentials	Cisco Networking Academy 2025
CCNAv7: Introduction to Networks	Cisco Networking Academy 2025
CCNA: Enterprise Networking, Security, and Automation	Cisco Networking Academy 2026
BOSCH SO2 Training	University of Batangas January 2026
Cisco DevNet Associate	Cisco Networking Academy 2026
Artificial Intelligence Certification	Sanfoundry January 2026
Cyber Security Certification	Sanfoundry February 2026
Software Engineering Certification	Sanfoundry February 2026
Cryptography and Network Security	Sanfoundry March 2026
C Programming Certification	Sanfoundry April 2026
Programming for Everybody (Python)	Coursera April 2026
Introduction to SQL	Simplilearn SkillUp April 2026
JavaScript Certification	freeCodeCamp April 2026
